

Waiver, Release, and Hold Harmless Agreement

This Waiver, Release, and Hold Harmless Agreement (this “Waiver”) is being presented to you because you are registering a player in the South Pittsburgh Hockey Club (“SPHC”). Execution of this Waiver is a condition of your player’s participation in all hockey activities, such as, but not limited to games, meetings, practices, training sessions, tryouts, etc.

You are aware that we are in the midst of a global pandemic and that by participating in these hockey activities you and your player may have an increased risk of injury and/or exposure to illness or disease such as the COVID-19 family of viruses. If you are concerned about your player’s safety or exposure to possible disease, including, without limitation, exposure to the COVID-19 family of viruses, your player should not be participating in these activities.

In consideration of your player being permitted to participate in hockey activities, you expressly agree and contract, on behalf of yourself, your player, your heirs, executors, administrators, successors and assigns, that SPHC and its board members, insurers, employees, officers, directors, and associates, shall not be liable for any damages arising from personal injuries, disease, or sickness (including death) or any other injury or ailment sustained by you, your player, or any other person as a result of your player’s participation in these SPHC hockey activities.

By the execution of this Waiver, I accept and assume full responsibility and risk for any and all injuries, disease, sickness, damages (both economic and non-economic), and losses of any type, which may occur, and I hereby fully and forever release, discharge and agree to indemnify SPHC, its board members, insurers, employees, officers, directors, and associates, from any and all claims, demands, damages, rights of action, or causes of action, present or future, whether the same be known or unknown, anticipated, or unanticipated, resulting from or arising from participation in hockey activities.
