

Dear Sir or Madam,

Thank you for taking the time to review this donation request. The South Pittsburgh Hockey Club (SPHC) is a charitable organization that was chartered in 1994 to organize ice hockey teams for all ages. The club operates an amateur hockey program for boys and girls from Mite to Midget levels (ages 5 - 18). In the 2022-2023 season we had 24 teams that called Printscape Arena at Southpointe in Canonsburg their home ice. SPHC is a non-profit corporation 501(c)(3) under the laws of the Commonwealth of Pennsylvania and is operated by a volunteer board elected by the Association's members.

Our primary mission is to educate, support, and develop the great young players in our community, while promoting the sport that we love. While we know that our children's education and development comes primarily from parents, family, and school, we also recognize that we can play a part in helping them learn valuable life lessons on the ice and in the locker room.

We are beyond excited to have this opportunity to plan our first annual golf outing that will take place Monday July 24, 2023. We are seeking any donation that you would like to provide, or you can select one of the corporate level sponsorships. Sponsorship funds will provide tournament opportunities for all players. We hope you will consider joining us on what will be the first installment of a fun new tradition for our friends and partners while we support a great cause. Your involvement will make this event a special celebration of our positive impact on the community.

We thank you in advance for your support of SPHC!

If you have any questions, please contact:

Lauren Leeper

Event Chair
