SPHC MITE Fee Agreement

In conjunction with the standard fees including the general fee, placement fee, and commitment fee, players may be required to contribute to a supplementary slush fund. This fund is intended to cover expenses related to tournaments, showcases, and associated team fees, which can vary between \$300 and \$800 depending on the age level and the number of scheduled events.

These additional fees are essential to sustain the team's operational costs and ensure participation in various competitive events. They are calculated based on the specific needs and commitments associated with each team's competitive program.
