## **SPHC Player Fee Agreement for 12u Girls**

Be advised that participation in tryouts with the South Pittsburgh Rebellion does not guarantee placement on any associated team. Team selection is determined by a range of factors, including but not limited to skill level, performance during the tryout process, team requirements, and decisions made by coaching staffs, tryout evaluators, and the board of directors of the South Pittsburgh Rebellion.

While every effort is made to ensure a fair and unbiased evaluation process, and to provide as many placements as possible, it is essential to acknowledge that not all participants may be offered a team placement. The final decisions are made by the aforementioned personnel, and once determined are deemed final; there is no appeal process available for team placement decisions.

In conjunction with the standard fees including the general fee, tryout fee, and commitment fee, players may be required to contribute to a supplementary slush fund. This fund is intended to cover expenses related to tournaments, showcases, and associated team fees, which can vary between \$300 and \$800 depending on the age level and the number of scheduled events.

For teams participating at higher competitive levels and employing paid coaches, an additional coaches fee will be assessed. This fee typically ranges from \$500 to \$800 per player.

These additional fees are essential to sustain the team's operational costs and ensure participation in various competitive events. They are calculated based on the specific needs and commitments associated with each team's competitive program.
